

Order The BIG BOX Now!

Machine logistics with curtain sided low-loaders

- Weather protected up to 10 x 6 x 4metres dimensions
- Carrying capacity and point loads up to 36 tonnes
- Special handling equipment available
- Low-bed semi-trailer equipment, megatrailers and trailers with angled bed
- Curtain sided rigging - closed within minutes
- Economic transport with client on-site loading possible
- Negligible empty leg and backhaul costs as careful route planning avoids empty journeys
- Road traffic permits up to a width of 3.00m in Europe
- All vehicles equipped with lashing points and chains

Machine specialists

- Due to our heavy vehicle park which is able to accommodate payloads of up to 600 tonnes and the heavy goods warehouse with up to 400 tonnes of crane capacity, machine cleaning and packing for overseas shipment, we offer an all round service to machinery movers.
- Breakdown and re-assembly of machinery and plant is available worldwide
- 14 highly trained heavy cargo co-ordinators are available

Transport of work platforms, construction machines and stacking/ lift machinery

- Low loaders with long/ partially hydraulic ramps are ideally suited for work platforms and devices with little floor clearance.
- Economical transport is possible through superior load planning
